Statement of why nominee would make a good office holder

I am currently a member of Diocesan Council, and would very much value the opportunity of continuing to serve. I believe that the Diocese would benefit from the on-going efforts of the Standing Committee and Diocesan Council to make and implement difficult financial decisions. I have had the privilege of serving on the 150th Task Force, the 2015 GC Steering Committee, and Diocesan Council, and believe that I can be helpful because of institutional knowledge and experience. It has been a honor to be involved.

Has the nominee has affirmed that he/she is willing to serve? Yes
